THE STORY OF THE SURAH

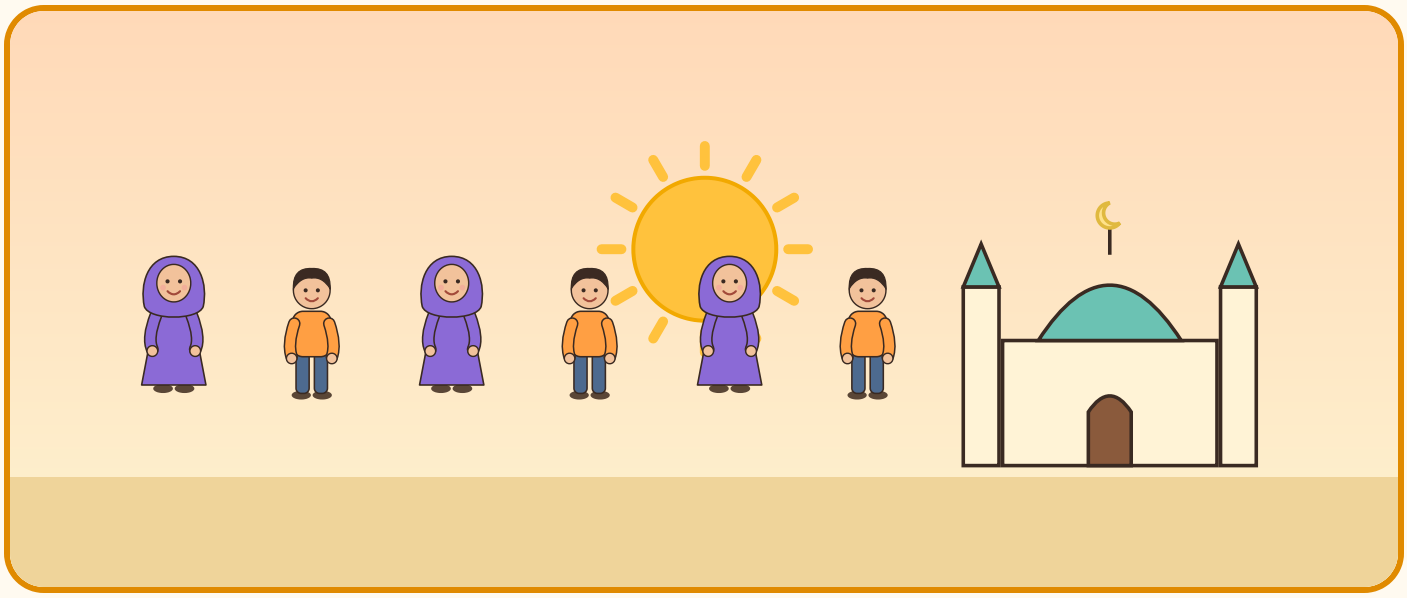

Waiting with Patience

For many years, the Prophet and the believers were treated unkindly in Makkah.

They stayed patient. They kept asking Allah for help.

Help and Victory!

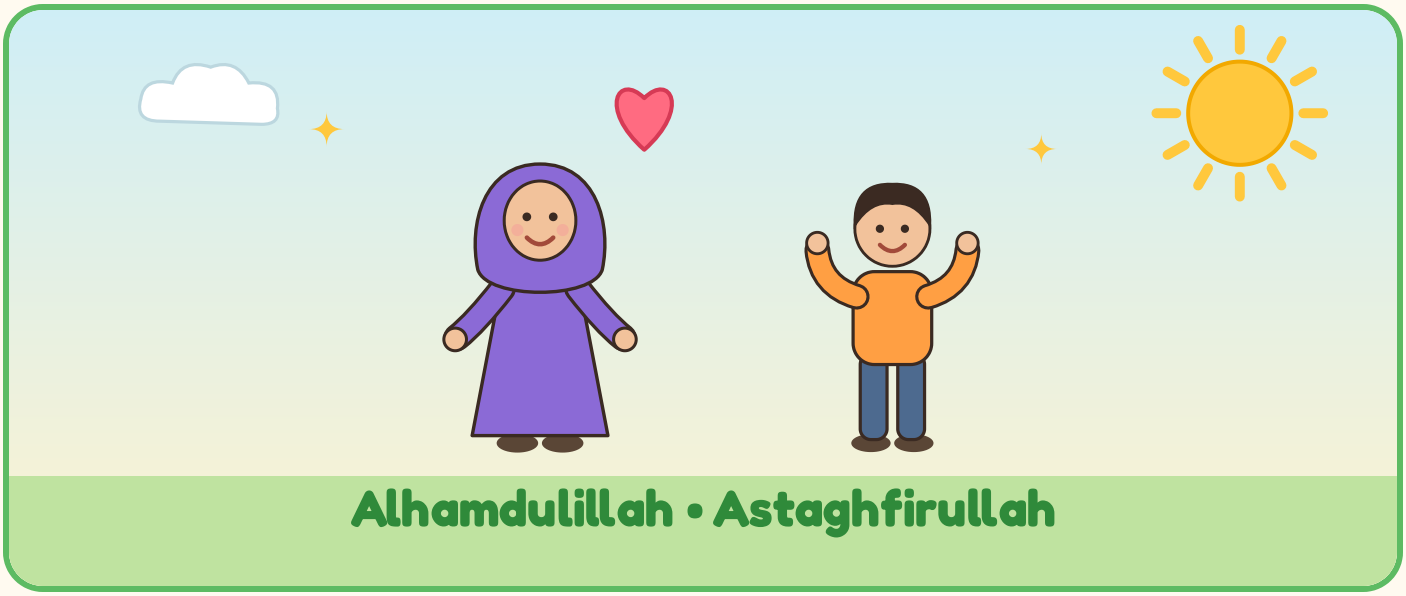

Then Allah's great help came. Makkah opened its doors, and the believers won.

People came to Islam in big groups. They came by the hundreds, to learn about Allah!

THE STORY OF THE SURAH

Say Thank You and Sorry

Alhamdulillah • Astaghfirullah

Allah told the Prophet what to do after the victory: praise Allah and ask Him for forgiveness.

The Prophet always asked Allah to forgive him. We make mistakes all the time, so we should say sorry to Allah too. Allah always accepts!

Think about it: What can you say sorry to Allah for today?

For grown-ups: from *The Clear Quran for Kids*; this surah also told the Prophet that his mission was nearly complete. Simplified for little readers.
