BACKGROUND STORY

Time Keeps Moving

Tick, tock, tick, tock! Time never stops.

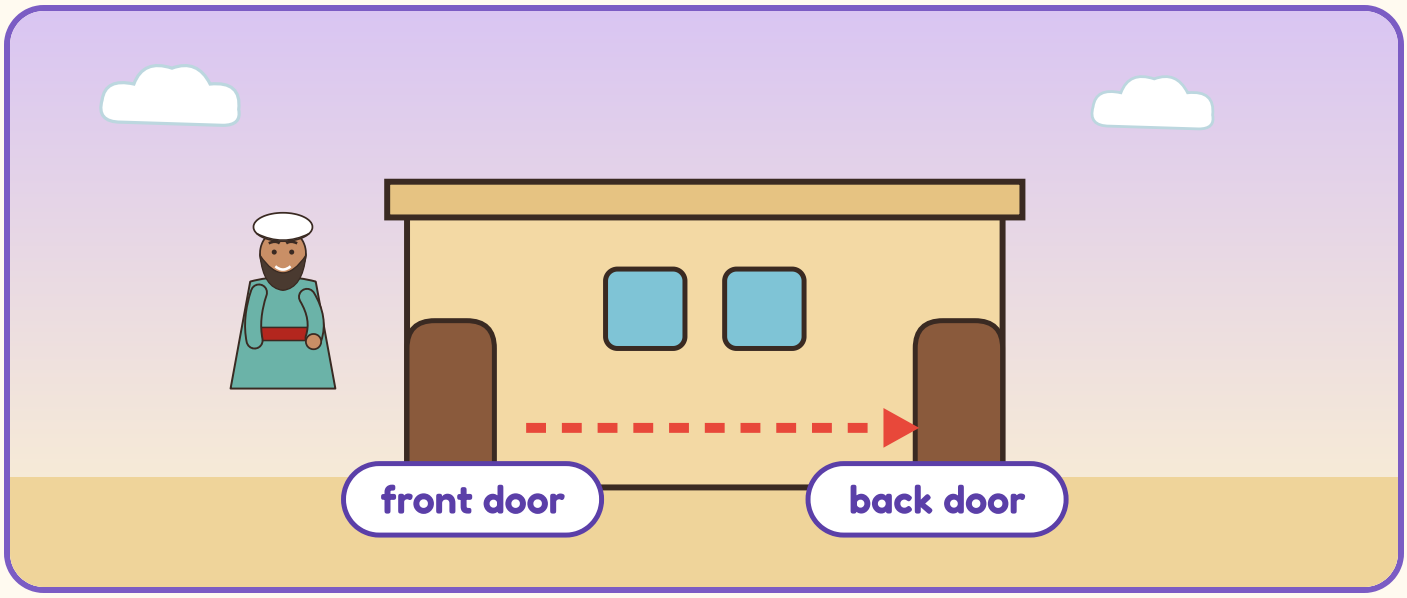

Every day has 24 hours. We sleep, eat, learn and play.

Time goes by very fast!

Allah swears by time. That tells us time is very special.

BACKGROUND STORY

A Very Long Life

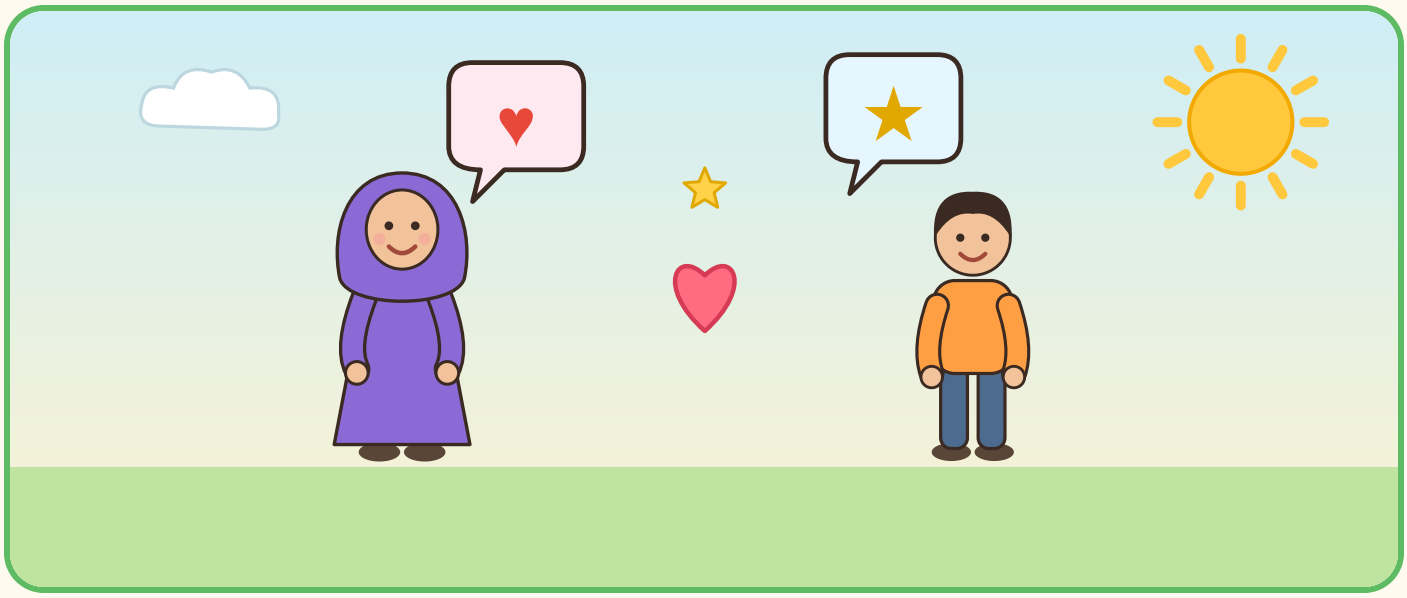

Prophet Nuh lived for a very long time. Someone asked him, “How was your long life?”

He said, “It was so short! It felt like I walked into a house from the front door, and walked out through the back door.”

Life is short. We should not waste it!

BACKGROUND STORY

Friends Remind Friends

When two friends of the Prophet met, they did something special.

Before they said goodbye, they read Surah Al-Asr to each other. They reminded each other to believe, do good, tell the truth, and be patient.

Think about it: How can you remind a friend to do good?

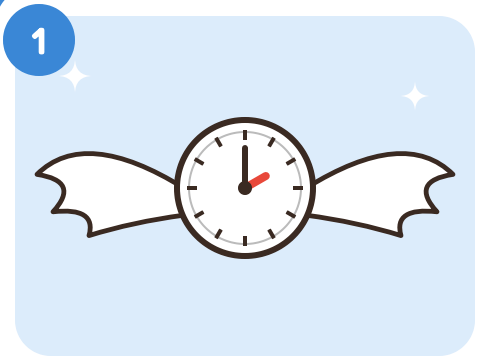

For grown-ups: from *The Clear Quran for Kids* (reported by Imam Abu Dawood), simplified for little readers.

The train was going too fast. He could not stop to pick it up.

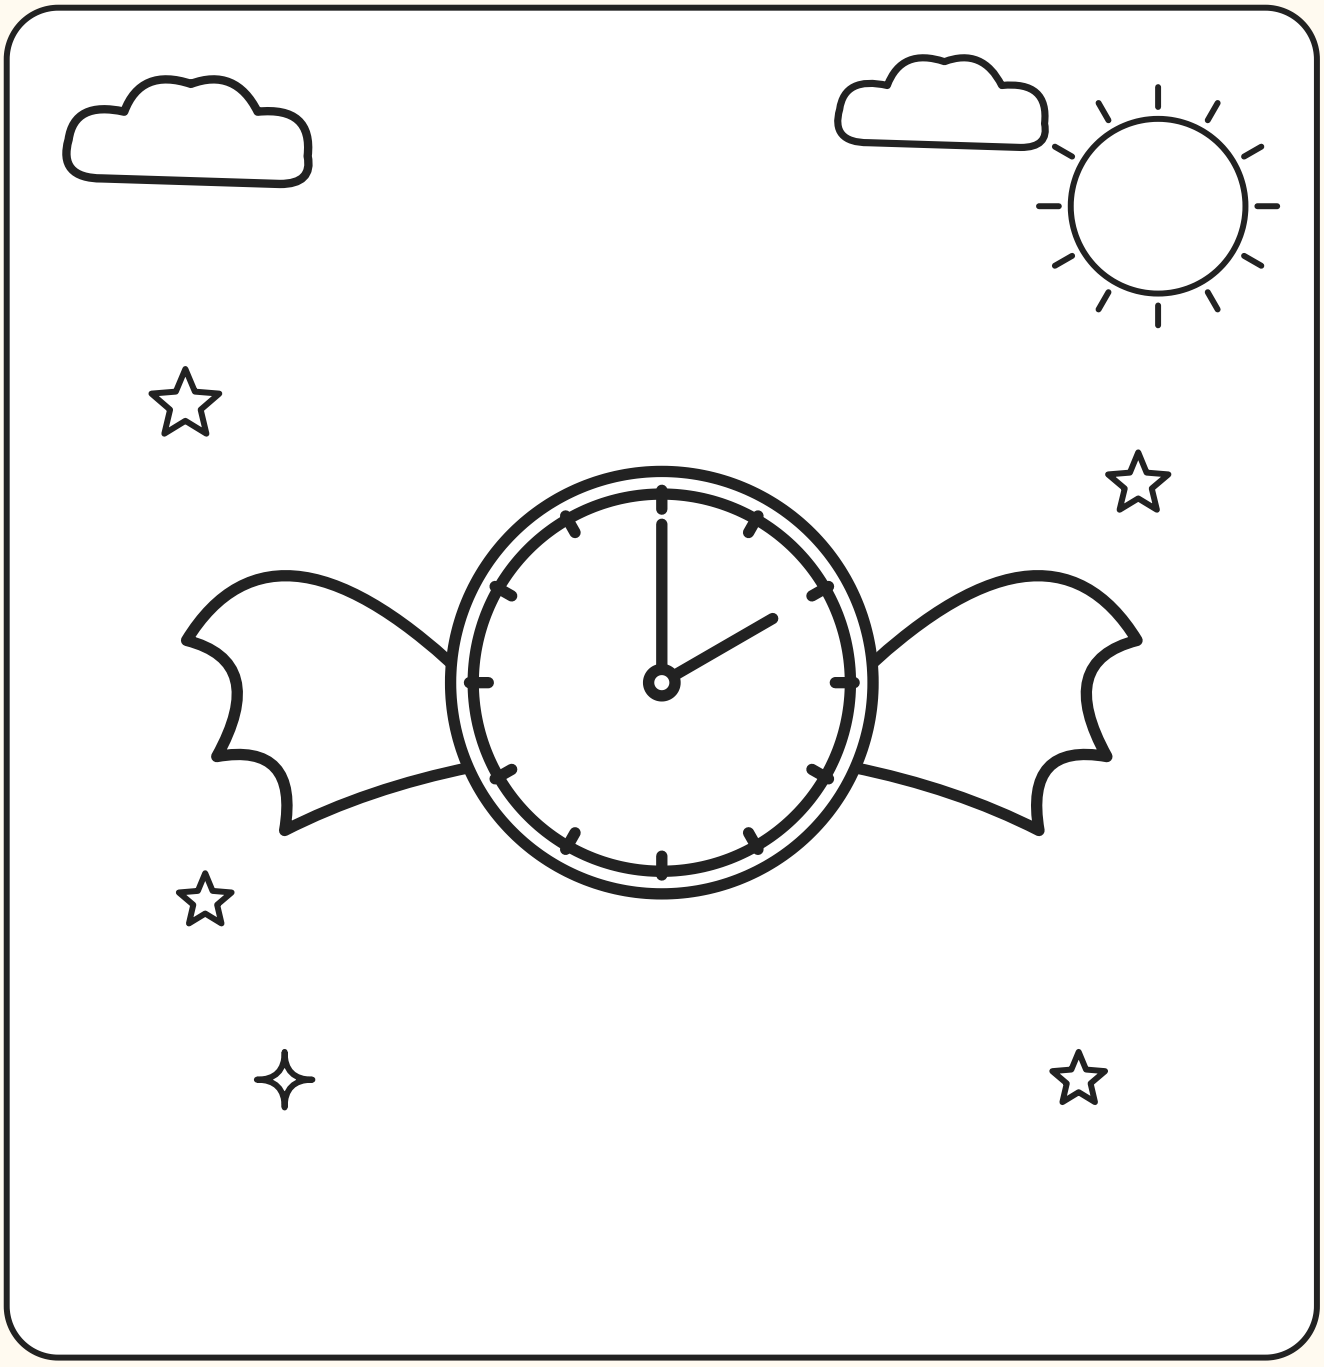

So he took off his other shoe and threw it next to the first one!

“Why?” someone asked. He said, “If a poor person finds just one shoe, it is no use. Now he has a pair!”

Talk about it: The man turned a bad moment into a chance to do good. How can you use your time to help someone?
